bobbyclubbs	7:06 PM	@TeacherNextDoor Glad to hear that. I was starting to feel guilty since our summer school session ends tomorrow. #engchat
TeacherNextDoor	7:07 PM	@BobbyClubbs I've always wondered if school ends earlier in the south b/c it costs more to keep it cool - maybe? #engchat - sorry off topic!

SonOfOdin0913 7:09 PM > <http://bit.ly/9jCcRu> #engchat

clix 7:09 PM Hi everyone! Sorry I'm late - I forgot it was Monday! :D #engchat

SonOfOdin0913 7:09 PM I had a great experience last summer @ Digital media education workshop with Renee Hobbs #engchat

nayrbgo 7:09 PM I have fooled with so many ideas over the years that I don't know if I want to be Shakespeare or Web2.0 geek this summer. #engchat

emsingleton 7:10 PM @nayrbgo I tend to impose structure on my summer (ie: grad school) or I dabble in too many things and feel unproductive #engchat

Yrdsblibrarian 7:10 PM @BobbyClubbs I really want them to go beyond powerpoint #engchat

feministteacher 7:10 PM @Yrdsblibrarian I want to do my own #prezi for a project I'm working on then transfer the skill to the classroom #engchat

Yrdsblibrarian 7:10 PM @TeacherNextDoor @feministteacher I want my students to have a tool that goes beyond powerpoint #engchat

magpete55 7:11 PM Summer Seminars and Institutes from NEH - <http://1.usa.gov/1U1aO3> #Engchat

bobbyclubbs 7:11 PM @magpete55 yes, I think I would challenge students to use Prezi #engchat

nayrbgo 7:11 PM @magpete55 The line is so fuzzy and blue. Easy to space out on a long essay and go tweet about #Muppets! #engchat

Yrdsblibrarian 7:11 PM @feministteacher That sounds like a good idea. I want more technology in my class next year so have to learn it myself #engchat

TeacherNextDoor 7:11 PM @magpete55 I try to have separate personal and professional presences online, although they do cross over at times #engchat

TeacherNextDoor 7:12 PM @nayrbgo You could use Shakespeare in all your web 2.0 practice! I do always feel like I'm racing the clock in summer, though. #engchat

magpete55 7:12 PM For all things tech, I still find I am more comfortable with failure than my students are and learn around it #engchat

DocHorseTales 7:12 PM #engchat I'll study the best of the digital media productions made by my students & see how the distinctive elements relate to written text

feministteacher 7:12 PM @emsingleton @magpete55 What are some of the latest articles in English education that we should be reading this summer? #Engchat

feministteacher 7:13 PM @mrami2 I've really enjoyed Institute for Writing and Thinking for summer workshops on teaching writing <http://www.bard.edu/iwt/> #engchat

emsingleton 7:13 PM @mrami2 - agree. #nwp is great for reflective practice #engchat

Yrdsblibrarian 7:14 PM @BobbyClubbs @teachernextdoor @feministteacher And they all do it so badly; it's too text oriented #engchat

mrami2 7:14 PM Goal for summer 2012 - apply and hopefully get accepted to this <http://ow.ly/5mkuy> #engchat @NEHgov

emsingleton 7:14 PM Summer is a gift for teacher lifelong learners "there is so much to enrich teaching: arts, reading, travel #engchat

TeacherNextDoor 7:15 PM @Yrdsblibrarian @BobbyClubbs @feministteacher I usually limit the amount of text when students want to do ppt #engchat

emsingleton 7:15 PM @mrami2 Excellent idea to plan now for next summer. I'm still planning for this summer! #engchat

TeacherNextDoor 7:15 PM Working summer school this year, & while I see how it will still help me grow, I do feel a little hemmed in by it scheduling-wise #engchat

feministteacher 7:15 PM @emsingleton @mrami2 Disclosure: I'm faculty associate at Bard's Institute for Writing & Thinking; went as participant for 10 yrs #engchat

feministteacher 7:16 PM @emsingleton I'm currently on a @FulbrightTeach program: Distinguished Fulbright Award in Teaching for experienced teachers #engchat

mrami2 7:16 PM @feministteacher will want to talk to you more about Bard institute, definitely like to explore it. #engchat

Yrdsblibrarian 7:16 PM My personal goal is to read lots of good fiction - both YA and adult. There is never enough time to read. #engchat

feministteacher 7:16 PM @mrami2 I think everyone on #engchat should begin drafting their application for the @FulbrightTeach program to do research abroad

emsingleton 7:16 PM @feministteacher Tell us more! #engchat

feministteacher 7:17 PM @mrami2 @emsingleton Regarding Bard, it's all about writing to read, writing to think, writing to explore practices #engchat

clix 7:17 PM We're going to the ALA conference this coming weekend! yay! #engchat

Yrdsblibrarian 7:17 PM @TeacherNextDoor @BobbyClubbs @feministteacher I try to let mine create what they want, but then it turns out badly #engchat

magpete55 7:17 PM What is on your book list for the summer? How will how and what you read impact how and what you teach during the SY? #Engchat

TeacherNextDoor 7:17 PM I LOVE goal setting - I'm trying for #bookaday and #blogaweek for this summer. #engchat

TeacherNextDoor 7:18 PM @magpete55 moving to a new school this year so for me this summer's reading is all about a new curriculum & new, unique setting #engchat

clix 7:18 PM @feministteacher does @fulbrightteach mean you're on your own? or can you go with family? #engchat

Yrdsblibrarian 7:18 PM @magpete55 I have a list of 70 books on my goodreads.com "to read" list. I'm always looking for books to recommend to students #engchat

emsingleton 7:18 PM @magpete55 I am looking to feel like a reader rather than a teacher of reading - so looking for novels that captivate #engchat

TeacherNextDoor 7:19 PM @mrami2 for sure! Although I need to remember to #engchat tag them, too!

emsingleton 7:19 PM @Yrdsblibrarian @magpete55 One of my goals is to get on goodreads with students this summer to test it out #engchat.

clix 7:19 PM and... I'm lagging a LOT :P #engchat

clix 7:19 PM @Yrdsb librarian me too! #engchat

feministteacher 7:19 PM @clix If you bring dependents on @FulbrightTeach you have to pay for them; but @FulbrightTeach covers you as their grantee #engchat

clix 7:19 PM RT @Yrdsb librarian: My personal goal is to read lots of good fiction - both YA and adult. There is never enough time to read. #engchat

emsingleton 7:19 PM We have been bombarded lately w/ rhetoric about teachers having summers "off" ￼ that doesn't describe teachers I know #engchat

Yrdsb librarian 7:20 PM @emsingleton @magpete55 I haven't used goodreads with students, but I love it for myself. #engchat

clix 7:20 PM apparently my computer thinks it's on summer vacation too ;D #engchat

magpete55 7:20 PM @TeacherNextDoor It is so hard learning the new landscape of a school. Good luck and hope your reading helps it go smoothly #Engchat

TeacherNextDoor 7:21 PM @emsingleton I agree - I frequently feel the need to defend my summers - they are a precious growing season. #engchat

feministteacher 7:21 PM @clix I'd like all experienced #engchat teachers to apply to Distinguished Fulbright; gives teachers opp to do research <http://bit.ly/agMKa2>

magpete55 7:21 PM From poet Mary Oliver "I do know how to pay attention, . . . to be idle and blessed" Is this your summer PD ideal? #Engchat

clix 7:21 PM @Yrdsb librarian who are you on @goodreads? I'd like to see your recs for good books :) #engchat

emsingleton 7:22 PM @Yrdsb librarian I am looking forward to Freedom, The Imperfectionists, The Widower's Tale: A Novel will use goodreads #engchat

TeacherNextDoor 7:23 PM @Yrdsb librarian yes! goodreads is a personal/professional online crossover area for me #engchat

RealLifeUnplugged 7:23 PM @mrami2 The school is using a grant for testing out new education ideas that reach beyond the classroom #engchat

Yrdsb librarian 7:23 PM @emsingleton I'm Wheatabix on goodreads; feel free to look me up. #engchat

emsingleton 7:23 PM I get out of balance during the school year. How do you use the summer to reconnect with personal passions? #engchat

DocHorseTales 7:23 PM #engchat SOS looks to be on the Summer Agenda also <http://www.saveourschoolsmarch.org/> Ravitch is a great read

janineutell 7:23 PM Sorry to be late! YES to the Bard Institute! @mrami2 @emsingleton @feministteacher ; amazing place to share, reflect, practice #engchat

emsingleton 7:24 PM @janineutell great idea. We want to be reflective but often get caught in a cycle of doing during the year #engchat

CBethM 7:24 PM @emsingleton That rhetoric has been around forever. I don't feel like I have "off" so much as I have time to learn on my own. #engchat

clix 7:24 PM @feministteacher yeah, but it'd help to know what I wanted to research and maybe how to do it, wouldn't it? ;) #engchat

Yrdsb librarian 7:24 PM @TeacherNextDoor I'll have to look into that crossover. #engchat

magpete55 7:24 PM @DocHorseTales Yes! Anyone going to the SOS Million Teacher March in July? #Engchat

janineutell 7:24 PM WRT to reconnecting w/passions, I revisit journal entries from during the school year. See what was exciting but had no time for #engchat

tkraz 7:24 PM After 20 years of teaching I have had 20 summers to try to get it right. Wrote about it last week - <http://bit.ly/kyTj05> #engchat

subterranean Anglo 7:24 PM Hi @mrami2 and others! Even though I am still waiting to hear about a job for next year, I want to think about PDs. #engchat

DocHorseTales 7:24 PM #engchat Best way for me to get in balance is to get on my horse

clix 7:25 PM @emsingleton I reconnect with personal passions by going to Disney World :D #engchat

janineutell 7:25 PM .@emsingleton Hard to balance reflecting/doing. Part of my summer PD was to make a strategic plan for myself: reflecting ON doing. #engchat

emsingleton 7:25 PM @CBethM Do you value that time to learn on your own differently than traditional PD? #engchat

feministteacher 7:25 PM @janineutell I agree about Bard. I went for 10 years before I became faculty associate; one of my lifelines during the school year #engchat

SonOfOdin0913 7:25 PM @emsingleton I'm going to try goodreads as well after you mentioned it the other day #engchat

CBethM 7:26 PM @emsingleton For the past four summers, I have done intense grad work/NWP ISI. This summer is more about connecting with young son. #engchat

janineutell 7:26 PM @feministteacher How wonderful for you! And thanks for the @FulbrightTeach info! #engchat

feministteacher 7:26 PM @janineutell Love the idea of personal strategic plan #engchat

magpete55 7:26 PM @TeacherNextDoor @Yrdsb librarian I am into knowing more about the crossover too - is there a line anymore? #engchat

emsingleton 7:26 PM @janineutell Teachers are so scheduled during the school year, what are your strategies for managing unstructured time? #engchat

feministteacher 7:26 PM @clix Yes, part of the application for @FulbrightTeach for teacher researchers is you design your own research project proposal #engchat

janineutell 7:27 PM .@emsingleton Setting mtgs w/myself for projects; differentiating projects/tasks + #engchat

Yrdsb librarian 7:27 PM @magpete55 @TeacherNextDoor I keep some things completely separate - Facebook is off-limits to my students #engchat

magpete55 7:28 PM My son's teacher had him set personal goals for learning - his was tying his shoes - good idea for grn ups? #Engchat

tkraz 7:28 PM Thanks to 2 #edchat and a Future of Ed interview last Tuesday, I had 3 hours of PD on one of my summer days "off" #engchat

feministteacher 7:28 PM @janineutell You can hear me talk about my @FulbrightTeach in this video: <http://bit.ly/mIYTdj> go to 41:22-45:45 #engchat

feministteacher 7:29 PM @clix Yes, definitely put a lot of thought into the project proposal; the grant is for 3-6 months during school year #engchat

CBethM 7:29 PM @feministteacher @janineutell Personal strategic plan is a BRILLIANT idea. :) #engchat

TeacherNextDoor 7:29 PM @magpete55 @Yrdsbibrarian w/ scrutiny teachers are under, there has to be a line, but I think there can still be wise crossover. #engchat

DocHorseTales 7:29 PM #engchat Literacy is so much about symbolic representation of experience (indiv & social): how dare I separate personal & professional?

subterraneanblo 7:29 PM With every article you read, think about how to turn it into a lesson, how to bring a concept to life for students Bill Bigelow #engchat

CBethM 7:29 PM @emsingleton Trad PD is generally top-down driven in SDs. I like to see what I can find for my own needs. Much more valuable. #engchat

clix 7:29 PM @feministteacher maybe I could use this summer to come up with ideas & a proposal to DO something NEXT summer ;) #engchat

janineutell 7:29 PM .@emsingleton - keeping longterm goals in sight, trying to do one thing/day on the long term thing; forgiving myself when i don't #engchat

TeacherNextDoor 7:30 PM @Yrdsbibrarian @magpete55 yes. I use facebook personally, but twitter professionally. I share goodreads with both. #engchat

emsingleton 7:30 PM @CBethM agreed. self-directed learning is much more valuable. #engchat

feministteacher 7:30 PM @clix I arrived in Mexico in January, leaving in July; it's not a summer program; it's during the school year #engchat
